

# Sound Games

## Crossword

Complete the crossword by putting the listed consonant sounds on both sides of the vowels given in the central position in each line. You can use the consonant sounds more than once. The words which you have to fill in are given in normal English spelling (in the box).

ʃ, t, d, b, k, r, p

should, book, cart, red, cat, bet,  
part, peak, sheet, rat, taught

t, n, k, b, d, m, p

burn, noon, cut, knob, boot, cot,  
pad, bit, tub, tin, bird

## Treasure hunt

Help Reena to find the hidden treasure. You can move along the squares with words containing the /z/ sound only.

|         |          |          |           |        |
|---------|----------|----------|-----------|--------|
| Zest    | Jest     | Page     | Geography | Join   |
| Buzz    | Zoo      | Raise    | Jump      | Forge  |
| Jew     | Wage     | Gaze     | Cage      | Noise  |
| Rage    | Bars     | Reason   | Joy       | Freeze |
| Change  | Increase | Biology  | Zebra     | Rise   |
| Region  | Boys     | Engineer | Huge      | Magic  |
| Jealous | Ways     | Zealous  | Cheese    | Plans  |

## Help the Puppy find its Home

Help the puppy to find its home. You can move along the squares with words containing the /f/ sound only.

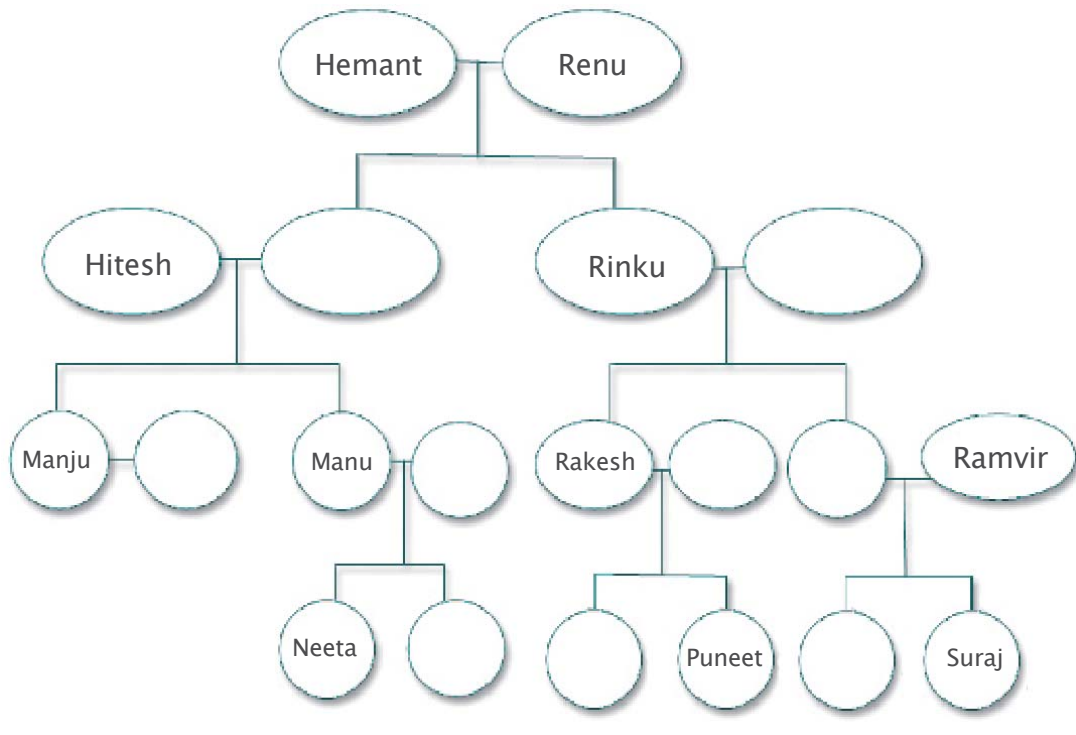

|         |          |       |          |           |
|---------|----------|-------|----------|-----------|
| Shift   | Ship     | Shell | Division | Vision    |
| Sip     | Same     | Sure  | Sow      | Station   |
| Shout   | Precious | Show  | Measure  | Nation    |
| Cushion | Sea      | Rice  | Sign     | Confusion |
| Mission | Show     | Push  | Rush     | Delicious |

## Family Tree

### Matching Vowel Sounds

Complete the following family tree with the help of the names given in the box. Remember that in this family all brothers and sisters have the same first vowel in their names and they can get married to people with the same first vowel sound in their names. You can take help from the names given in the box.

**Male:** Hemant, , Raman, Rakesh, Ramvir, Manu, Puneet, Hitesh, Rinku, Suraj, Neeraj

**Female:** Mithlesh, Manju, Anu, Shanu, Rani, Neeta, Renu, Ritu, Urvashi, Poorvi

Complete the Word Squares to make four words in each puzzle. You can take help from the words given under these puzzles.

|      |      |      |
|------|------|------|
|      | /ei/ |      |
| /ei/ |      | /ei/ |
|      | /ei/ |      |

pale, late, date, paid

|      |      |      |
|------|------|------|
|      | /ai/ |      |
| /ai/ |      | /ai/ |
|      | /ai/ |      |

bite, tight, bike, kite

|      |      |      |
|------|------|------|
|      | /ne/ |      |
| /ne/ |      | /ne/ |
|      | /ne/ |      |

coat, tone cone, known

|      |      |      |
|------|------|------|
|      | /c:/ |      |
| /c:/ |      | /c:/ |
|      | /c:/ |      |

hall, lawn, corn, hawk

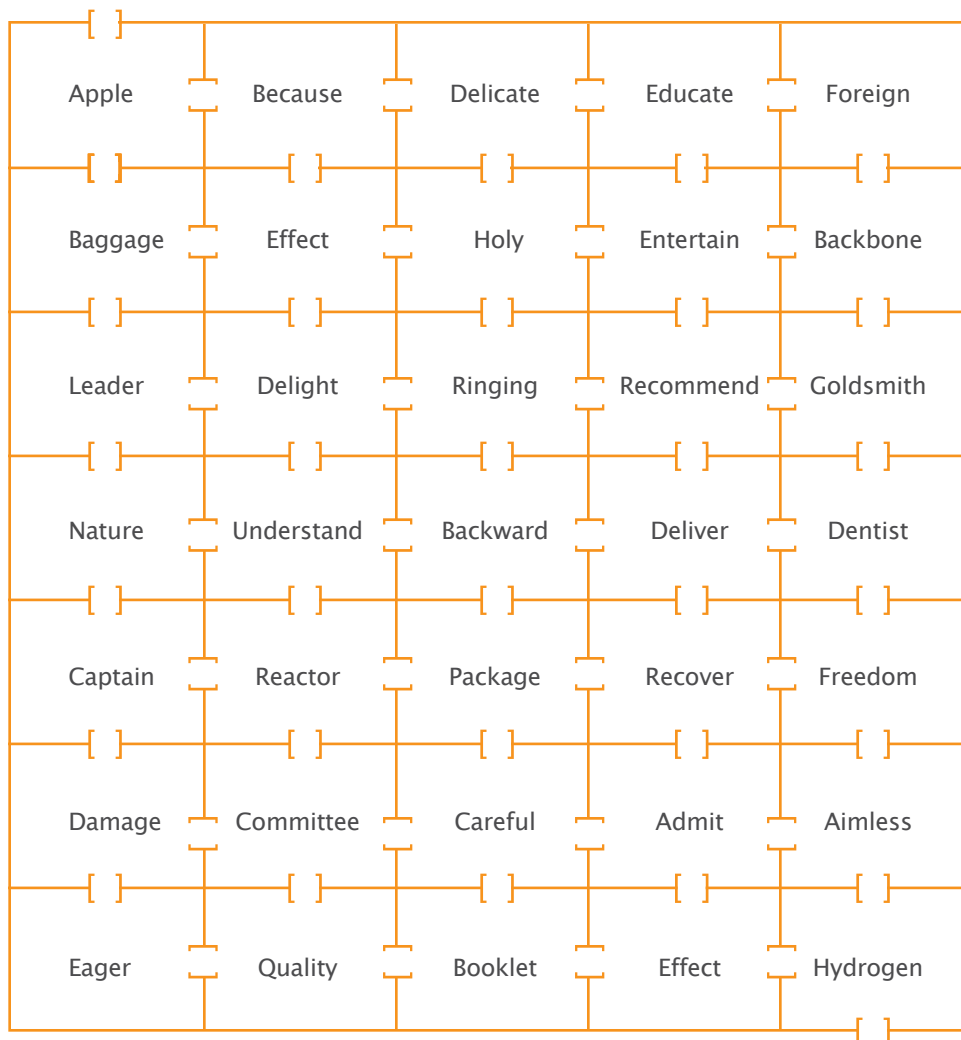

## Searching the Professionals

Given in the box below are some phonemic symbols in which names of certain professionals are hidden e.g. 'nurse' shown as (nə:s ). Find the names of ten other professionals using all the symbols. Use each symbol once only.

|   |    |    |    |    |   |    |
|---|----|----|----|----|---|----|
| m | d  | ɔ  | k  | t  | ə | e  |
| ə | t  | i: | tʃ | ə  | k | n  |
| k | p  | n  | ə: | s  | u | g  |
| æ | eɪ | g  | a: | d  | k | i  |
| n | n  | s  | i  | ŋg | ə | n  |
| i | t  | æ  | k  | t  | ə | iə |
| k | ə  | g  | a: | d  | n | ə  |

## Word Stress Maze

In the following maze some words are written with stress either on the first, second or third syllable. Starting from the entry Rinku can move along the squares with words having primary stress on the first syllable only to reach to his school.

## Consonant Cluster Cones

You are given a starting word at the base of each cone. Make a new word by adding a single consonant sound (of one or more letters) to the beginning, middle or end of the word and write it on the next strip of the cone. Go on adding other consonant sounds to make new words till you reach the top of the cone.

## A Game with /θ/ and /ð/

Complete the given crossword with the help of the clues given below to discover words written either horizontally (Across) or vertically (Down). Each word contains either / θ / or / ð / sound.

|         |        |  |         |        |        |         |        |  |  |
|---------|--------|--|---------|--------|--------|---------|--------|--|--|
| 1<br>br | 2<br>r |  | 3<br>th | 5<br>e |        |         | 6<br>f |  |  |
|         |        |  |         |        |        |         |        |  |  |
|         |        |  |         |        | 7<br>b |         |        |  |  |
|         |        |  |         |        |        | 8<br>th |        |  |  |
| 4<br>th |        |  | 10<br>w |        | 9<br>o |         |        |  |  |
|         |        |  |         |        |        |         |        |  |  |
|         |        |  |         |        |        |         |        |  |  |

### ACROSS:

1. Masculine gender of sister (7 letters)
4. The bowlers \_\_\_\_\_ the ball six times in a cricket over (5 letters)
7. Washing the body with soap and water (4 letters)
8. Objective Case of 'they' (4 letters)
9. The two friends gave gifts to each \_\_\_\_\_ (5 letters)

### DOWN:
