

Ambrosial Blessings Showered by Most Revered Gracious Huzur upon DEI Team on grand success in the MIT COVID - 19 Challenge Hackathon (On 1st September 2020, during morning fieldwork)

The Massachusetts Institute of Technology (MIT) organised the MIT COVID – 19 Challenge Hackathon – India: Turning the Tide event from August 28-30, 2020, to develop innovative solutions that address the most pressing issues around the ongoing COVID -1 9 pandemic in India.

The 48 hour online – only event drew wide participation of about 1400 participants and 300 mentors from across 30 countries, including several members of the Dayalbagh Educational Institute (DEI) (Deemed to be University). Among the teams from DEI that participated, the following 2 teams were adjudicated winners in their respective tracks:

1. Team – Docs@Home, led by Professor K.Soami Daya and
2. Team – Whistle Winds led by Amolly Gupta, (New York Radhasoami Satsang Branch) and Prateesh, (DEI, Dayalbagh).

A small celebration was held on 1st September 2020 in the fields during evening fieldwork to offer Shukrana at the Lotus Feet of the Supreme Father for crowning humble human efforts with grand success by HIS Infinite Grace and Mercy. Most Revered Gracious Huzur was pleased to Shower Ambrosial Blessings on the occasion:-

“Radhasoami.

I Bless you all for grand success in the trust reposed by the nation internationally on NGT (Nominal Group Technique), AHP (Analytic Hierarchy Process) and other such Consensus Building Techniques which are in favour of alleviating the least, the last, the lowest and the lost to their proper status in life and even beyond,i.e. ,the Grandest of the Salvation Process.  
Radhasoami”.
