

Arising from the joint Panel Discussion of the 4<sup>th</sup> International Conference of Dayalbagh Science of Consciousness (DSC- 2022) and the 45<sup>th</sup> (Inter) National Systems Conference, held on the September 29, 2022; Spiritually speaking, mask does not hide the entity of both the parties in fact; its identification goes beyond the realm of Physical & Astral World i.e. the World of Mind {Hypnotism & Clairvoyance and the present-day Drone ("*Udan Khatola*"/उडन खटोला or Flying Saucer of ancient Aryan Civilisation) as the representative of Artificial General Intelligence- AGI} i.e. *Kaal* (Time) in collusion with *Maya* (i.e. Space) (Gross Worldliness).

Accordingly, the Ultimate Reality i.e. the Spiritual Identifier is the Eye-to Eye or Gaze-to-Gaze contact, which is way beyond the Unique Identity Disbursement is through Biometric Fingerprints.

"Spiritual Big-Bang", preceding the Big-Bang promoted by Modern Science & Engineering: is the Art that captures the Mind and even Meta-Mind as a Surrogate of Spiritual Transcendence (in the Ultra Transcendental Meditational Practices including the so-called: - Hypnotism & Clairvoyance of Philosophy & Para Psychology). Accordingly, the Ultimate Reality/Truth of Modern Science conforms to the Power Law of Meditational Consciousness relating SENSATION (Y- Axis) to STIMULUS (X- Axis): which takes the Soul/Spirit Essence of Living Human-beings beyond the threshold of the First Purely Spiritual Region, represented by *Sohang/Soham*, as presiding Deity of the Purely Spiritual Region at the Lower Division of the Trinity Invoking ABSTRACT MATHEMATICS OF THE TRINITY consisting of the Middle Division *Sat/Satya* (Ultimate Reality/Truth of Science), as promoted by Nuclear Scientists as the Sub-atomic particles viz. Electron (Female Gender), Proton (Male Gender), Neutrinos (Gender-free, inclusive of Homo-sexuals); ARTICULATIVE/ARTICULATORY RA-DHA-SVA-AAH-MI/रा-धा-स्व-आ-मी with Five Basic/Fundamental Constituents as Enunciated Herein (e.g. Drones/Air Buses/International Space Stations under the Solar System i.e. MILKY WAY GALAXY (with "Moon" as the Satellite of the Planet Earth) and its nearest neighbouring Orbit under the "Mars" i.e. ANDROMEDA GALAXY).

Once, one attains the Sub-atomic particle levels of absolutely gender-free Domain of Pure Spirituality, which takes one beyond Ultimate Reality/Truth of Science to the Regions of "*Alakh*" (Unperceivable), "*Agam*" (Inaccessible) and finally to the (*NIJ DHAM*) True Lord-God of the All Creational Universe, with Blissfulness Forever & Ever; earlier in the Static form e.g. Electrostatics &

Hydrostatic, now in Dynamic Equilibrium, Under the Control of the LORD-GOD OF ALL CREATIONAL UNIVERSE, including MILKY WAY GALAXY (Popularly Under the Sun-God) & ANDROMEDA GALAXY as the Closest Next Orbiting Galaxy (Popularly Under the Mars-God).
