

Summing-up Remarks of Most Revered Gracious Huzur
Prof. Prem Saran Satsang Sahab on the February 12, 2022
on the occasion of the 40th Convocation of
Dayalbagh Educational Institute (Deemed to be University)

We should even Accelerate while Ramping/Escalating, rather than moving vertically i.e. up or down as in so called Lifts or Elevators.

Following the Principle of Oneness w.r.t. Articulative Vs Descriptive

Names: Articulative Names are favoured instead of Descriptive

Names; **and beyond** Escalating, one may even be further

Accelerating, as is feasible, while one continues to be preferential in

respect of Articulative Mode. In the Real-World context, therefore, one

could even be Accelerating; and marching-forward by enunciation of

yet another 'Live and Let Live' Postulate. So, one may thus transit one

Trinity upward at a time and that such process would continue till all

Space-Time is Embraced i.e. Nether Pole is rendered as a Vacant

Pole/Zero Reference or Datum (with no Denizens). Articulative &

Accelerative Mode of Escalation thus emerges as the Evolutionary

Principle: – **“Trinity within Trinity within Trinity”**. “Dust thou art

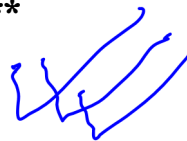

to Dust thou Returnest” and “Live and Let Live”, being popular

expressions in support of this Evolutionary Principle realizable as the

GRAND-FINALE of DYNAMIC PURE SPIRITUALITY OF EVER-BLISSFULLNESS: - ‘UNITY WITH DUALITY AT WILL’.

WHATEVER AND WHENEVER NEEDED WE CONTINUE OFFERING FULL UNFLINCHING SUPPORT IN OUR OVER-ARCHING SYSTEM OF PURE CONSCIOUSNESS REFERRED TO AS RADHASOAMI SATSANG SABHA DAYALBAGH, AGRA, INDIA (HEADQUARTERS) REGISTERED AS A RELIGIOUS AND CHARITABLE SOCIETY VIA TRUSTEESHIP OF DAYALBAGH EDUCATIONAL INSTITUTE (DEI-DEEMED TO BE UNIVERSITY) AS THE UNIQUE CREATIONAL VEHICLE FOR ALL SPACE-TIME UNIVERSE IN DYNAMIC EQUILIBRIUM OF EVER-BLISSFULLNESS*
