Resolved that all the minor changes as proposed in the syllabi of the above courses as given in Appendix-I be and are hereby approved.

Further, the following observations were also noted:-

Department of Electrical Engineering/MOM&SP/Diploma in Architecture Assistantship:

- (i) No change was proposed in the existing courses.
Textile/Garment/Interior Design & Decoration presented the structure of Modular Courses. It was pointed out that the date of commencement and closing for each Modular Course should be mentioned.

Department of Mechanical Engineering:

- (i) The members suggested that the Department may offer some of the courses offered by the Department of Management for BBA-B.Tech. dual degree option.

Leather Technology

- (i) One theory & one Lab (DEE306 & DEE 307) course of Diploma in Electrical Engineering were added.
- (ii) I & II semester Diploma courses of all streams were made similar

The Academic Council approved the changes.

Department of Civil Engineering:

- (i) Some re-arrangements were proposed.
- (ii) A new course on 'Contract Construction Management & Accounts' was proposed.

The proposals were not accepted.

Department of Automobile:

B.Voc. in Automobile

- (i) Two new courses were introduced which were approved.
- (ii) Elements of Designing in Automobile should be introduced.

New Diploma courses on Hybrid Vehicle and Electric Vehicle should be introduced

- (a) Hybrid vehicle – 2 courses
- (b) Electric Vehicle – 2 courses
- (c) Sensor - 1 course

The members suggested that a systematic proposal with major changes along with proper justification be presented in the next meeting.

9. Considered the amendments proposed in the syllabi of High School and Intermediate classes for the session 2016-2017 and introduction of new courses, if any, as submitted by the Board of Studies of the DEI Prem Vidyalaya Girls' Intermediate College, REI Intermediate College, Radhasoami Adivasi Higher Secondary School, Rajaborari & Soami Nagar Model School, New Delhi as per the provisions of Bye-law No.39(iii) (Appendix-I).

Resolved that all the minor changes as proposed in the syllabi as given in Appendix-I be and are hereby approved.

10. Considered the following proposal of the Head, Department of Management, Faculty of Social Sciences-

(i) to incorporate UGC Choice-Based Credit System (CBCS) guidelines, and the ensuring structural changes in the U.G. curriculum of Department of Management.

(ii) BBA-B.Tech.(Footwear Technology) Dual degree curriculum along with its credit structure.

Resolved that all the minor changes proposed in the syllabi of the above courses as given in Appendix-I are approved and for the major changes/new courses, the following resolution is passed:-

(1) It is advised that sufficient number of electives in a pool of electives to begin with be offered. Therefore, the BBA (Management Science) option need not be offered at present.

(2) In UGC CBCS courses nomenclature, Institute core courses may also be included.

(3) The following courses, developed in-house at the Department, could be included in the electives pool: Internet of Things, Data Analytics/Data Mining, Knowledge Management, etc.

(4) Neural Network course may be replaced with Soft Computing.

(5) In the proposed B.Tech. (Footwear)/BBA dual degree course structure, full titles of the courses should be given.

(6) Possibility of a reversed dual degree of BBA with B.Tech. could be further planned for BBA students with Science background, especially since Engineering electives are now being considered to be offered to BBA students. This option may be in the form of a dual degree or in terms of lateral transition (after Second Year of BBA).

(7) The advanced version of the proposed electives may also be offered to MBAs.

(8) IT orientation should be added to all courses being offered.

(9) Regarding BBC 201-Training course, either of the two proposals may be tried, (i) Training any day during the week or (ii) Alternative #2, that is, as a summer Training at a stretch, in the form of a Co-op Training.

(10) Dual numbering of electives offered to Footwear Dual Degree is suggested. This implies that the Engineering Electives being offered to Footwear Dual Degree students may also be offered in the electives pool for BBA students.

(11) The proposed Business Dynamics course should have a lot of case studies/applications. Software help may be taken from Faculty of Engineering.

(12) In the proposed course of Disaster Management, the following suggestions were made:

(a) Broad areas should be added in Unit 5 to reflect appropriately in Question Bank.

(b) 'India's Natural Disaster Management Structure, and Role of NGOs' may be added in Unit 4.

PART-B: FOR INFORMATION
