

13. Societal Contributions

Vision

A Developed Nation and a Better World Order

The Concept & Philosophy at DEI

- ✧ Social Outreach – an essential part of mainstream learning
- ✧ Elevation from mere basic needs to the highest level of self actualization
- ✧ Local, national and global concerns
- ✧ Reaching the lowest, the least and the lost

The Objectives

- ✓ Making education relevant to real life situations
- ✓ Developing a keen sense of social sensitivity and responsibility
- ✓ Development of the qualities of the Head, Heart & Hand
- ✓ Synergetic ‘Super Connectivity’ amongst Students, Teachers and the Community

Means of Societal Contribution

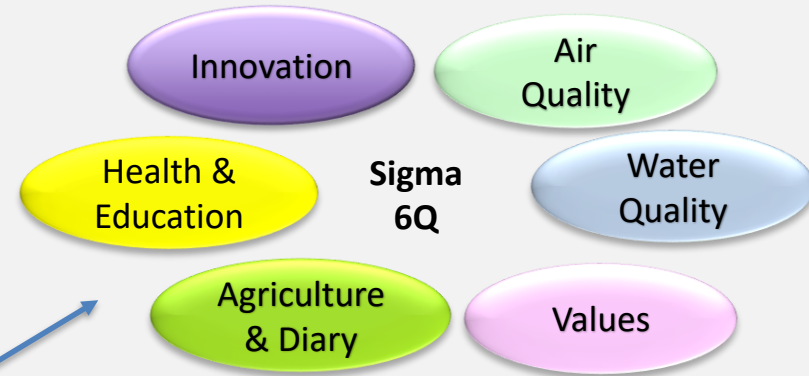

Developing 'Total Quality Persons' (*Super Intelligent and Super Conscious Beings*) through Education

Agents of Social Transformation

Direct Societal Engagements

Focusing on Six Sigma Q

Societal Impact: Snapshots

- Success stories
- Achievement Metrics
- A Replicable Model: Rajaborari

Reaching Beyond Benchmarks

DEI Societal Outreach Goals

UNESCO: Sustainable Development Goals, 2017

13. Societal Contributions

Pray for Gracious Guidance for Future Plans

Proposed:

1. Setting up Self-Sustaining Incubation Centres in the 500 Study Centres of DEI to promote:
 - Entrepreneurship and Skills (Incubation Centres)
 - Conservation of Environment and Culture (Cultural & Environment Centres)
 - Counselling and Support for Psycho-Spiritual Growth (Counselling & Meditation Centres)

(Technical and Managerial Training to be provided by DEI)

(Estimated Budget: 25 crores @ 5 lacs per Centre)
