Honors**

## Present Status

Year	
2017	1. Partial Connectivity of the stakeholders through internet/ wi-fi
	2. Few classrooms are equipped with Information & Communication Technology.
	3. Manual Security System
	4. Partial e-governance
	5. Hierarchical Governance
	6. Sports and Games Committee, Library Committee, Cultural Committee and Canteen Committee – Governed by the staff.

## Future Plan

Year	
2018-22	1. Full Connectivity of all the stakeholders through internet/ wi-fi
	2. Equip all classrooms with Information & Communication Technology for governance of least, last, lowest & lost beneficiaries
2023-27	3. Integrated Security System including Biometric System
	4. 100 % e- governance
2028-32	5. Self governance among the staff and students by evolving super human being having super consciousness
	6. Sports and Games Committee, Library Committee, Cultural Committee Hostel Mess and Canteen Committee – Governed by the students

**We Humbly Pray for Thy Guidance on the following:**

**Flexibility and freedom in governance for rapidly expanding number of staff , students, courses and technological interventions.**

**Adjustments in governance required for operations across country with respect to frequent reforms by the various regulatory bodies.**
