Action Taken Report

The following has now been accomplished from the IQAC meeting minutes held on 27th Oct 2014:

1. Library is fully computerized, and linkages provided to the students across the campus.
2. Construction of ramps for the physically challenged persons completed in Arts, Science and Education faculties. Remaining in progress.
3. Establishment of a new information- communication–neurocognitive Technologies Assisted Language Lab.
4. New online courses for students introduced in Arts and Science faculty.

Ratan Saini

Secretary, IQAC
