Proposed changes in the existing system

According to Mr Mohit Tiwari, Lecturer, Govt Polytechnic, Dehradun 'the syllabi of courses is complete and contemporary and needs no change. Further, 'Co- op training is the need of present scenario. But you have done justice by reducing it from 12 weeks to 09 weeks since it will interfere with the academics. So I agree with the proposed 09 week schedule for the co- op training.'

Hence, only the period of Co-op Training is to be reduced to 9 weeks from the present 3 months.
