Application number: 00786786

Dear Mohita,

Congratulations on your offer of admission to graduate studies at the University of Waterloo! Through your achievements, you have distinguished yourself from a pool of highly accomplished applicants and we are delighted to extend this offer to join the Waterloo community.

We are pleased to offer you admission to the following program:

Program: Electrical and Computer Engineering, MASc
Term of admission: Fall 2019
Attendance: Full-Time

Term begins: September 1, 2019
Registration ends: September 30, 2019

See [Academic term deadlines](#) for important dates.

Please complete the admission conditions listed below by the due date(s) listed on your [Quest](#) account. This offer of admission may be withdrawn if the admission conditions are not met.

Arrange for the required documentation to be sent to:
Graduate Studies and Postdoctoral Affairs
University of Waterloo, Needles Hall 2201
200 University Avenue West
Waterloo, Ontario Canada N2L 3G1

- Arrange for the following items to be sent directly from your institution to Graduate Studies and Postdoctoral Affairs, Needles Hall in a sealed (closed) envelope: official transcript and copy of the final or provisional degree certificate attested and verified by the awarding institution (e.g. by the Controller of Examinations or the Registrar). If the original documents are not in English, an English translation, certified, attested, signed and stamped by your institution, must be provided with your official documents. The official documents must show all courses and grades, and the awarding of your Bachelor's degree. You must ensure that you have met the minimum overall academic standing. Do not provide your original documents.

You must submit a valid Study Permit to complete your enrollment. You will receive an email informing you when a link in Quest is open for the uploading of your Study Permit.

The Department of Electrical & Computer Engineering has prepared detailed information for you, which immediately follows this letter. These details include information that pertains to your program, financial support, how to accept or decline your offer and who to contact should you have any questions.

To facilitate your transition to Waterloo, and to make the most of your graduate experience, please visit the [Graduate Studies website for new students](#). This website contains valuable information on estimated [study and living costs](#) for which all graduate students are responsible, course enrolment instructions, housing options, orientation, tuition fee arrangement procedures, and regulatory details of the Graduate Studies Academic Calendar.

The general information and regulations section of the [Graduate Studies Academic Calendar](#) contains information about academic integrity, guidelines on graduate student support, and protection of privacy, including the University requirement to report student-level enrolment-related data to the Ministry of Advanced Education and Skills Development (MAESD).

The University of Waterloo is a world-renowned institution where innovation, research and inspiration meet to achieve extraordinary success in world-changing research and education. The excellence of our institution depends on the people assembled here, most importantly our students.

We foster an entrepreneurial environment that drives innovation, both in research and application - ideas generated at Waterloo belong to the creator, as per our [Intellectual property \(IP\) rights policy](#).

We believe that you can make an important contribution during your years at Waterloo and beyond. Welcome to graduate studies at the University of Waterloo!
