

**Visit of Companies in Jamshedpur  
15.09.2018 - 17.09.2018**

1. Jamna Auto – Purpose of visit explained, Commitment on continual support on Coop training with stipend to Engg & Diploma Students. Requirement of engineering & Diploma Students in the next two years. For Campus placements, DEI team to visit Jamna Auto Corporate office in Delhi.
2. JMT – Taking on apprentice basis, paying as per Govt norms. No immediate requirement. Ready to support for coop training – No stipend.
3. Caparo – Ready to take students for Coop training. Company has done campus recruitment at DEC Jamshedpur. Feed back – ICT centers students are not up to the mark.
4. JOSTS – Already recommended DEI at their corporate office for recruitment. Open for Coop training.
5. Metaldyne - Actively recruiting students from DEI DEC, Feedback on students is positive, Immediate requirement of 15 – 20 mechanical diploma students.
6. Tata Motors – Met Mr. Ravi Singh Head HR & Mr. Sudhanshu Padhy - Head Technical training centre. Placements are totally done from corporate office, Mumbai. Commitment for taking MBA students for Coop Training, Feedback on existing DEI students is positive. Certificate course students of MOTOmechanic, welder, fitter, electrical, wiremen will be considered for NEEM trainees for 1-2 years. Discussion of recruitment of students from different centers, Murar, Dheragaon on Neem Role. Diploma students from ICT centers will also be considered on NEEM role.
7. ACMA (Automotive Component Manufacturers Association)– Ready to collaborate for JOB fair with DEI for Jamshedpur and nearby centre students. Strong recommendation to have Local Students from Bihar & Jharkhand region to avoid attrition happening in the last two job fairs. High requirement Diploma in Mechanical & Auto, welders, fitter course students in this region. ACMA will support in getting M/s RSB to main campus for Diploma placements. Feasibility of organizing JOB fairs in collaboration with ACMA North zone also discussed. Contact details already provided. DEI team to connect with ACMA North for DEI presentation. Feedback – High attrition rate in the last two job fair placements. Improvement required in basic skills, Measurement systems, to facilitate better placements.
