About the University

The Dayalbagh Educational Institute is located in Agra amidst the tranquil environs of Dayalbagh, a self-contained colony renowned for its serene environment and secular establishment, in which its inhabitants lead an active, disciplined and co-operative community life dedicated to service, conforming to the high spiritual ideals of their faith.

The Government of India conferred the status of a Deemed University on the Dayalbagh Educational Institute on 16th May, 1981 with the mission objective of evolving a complete man providing opportunities to develop physical, mental and spiritual faculties under its unique innovative and comprehensive education policy with accent on quality. The DEI (Deemed to be University) awarded **A+ Grade by NAAC** in August 2019 and awarded **82 NIRF Rank** by Govt. of India, MHRD in 2020.

About AICTE Training and Learning (ATAL) Academy

AICTE is committed for development of quality technical education in the country by initiating various schemes launched by Govt. of India, MHRD Council understand that there is a need of the day to train the young generation in skill sector and having faculty & technicians to be trained in their respective disciplines. First AICTE Training And Learning (ATAL) Academy and NWRO (Camp Office) of AICTE in Jaipur was announced with establishment of other ATAL Academy in the country at Jaipur, Vadodara, Guwahati & Trivandrum by the then Hon'ble Union Minister, Human Resource Development on 24.9.2018 The ATAL online FDP of 20-21 has been recognized as a world record by World Book of Record, London.

About this Workshop:

Currently, Govt. of India, MHRD, UGC is focuses to promote the high quality research output and Indian universities are focusing on their attention on ramping up their research capacity and reputation. They are making strategic provide high-quality research support services, research advocacy and infrastructures to faculties & research scholars for attract additional competitive research dollars and enhance their standing in national research evaluation exercises. They are building new

multidisciplinary research facilities and Installing expensive e- Research infrastructure to facilitate research collaboration and support new methods of data collection, analysis, visualization, storage, share and reuse in future research process. At the same time the university administration and library professionals need to develop new skills support research services other than the traditional services. Keeping in view of enhancing the research outputs, the workshop has been conceptualized with the goals to:

- to basic understanding of copyright, plagiarism issues and publication ethics.
- To train the newly appointed faculties and research scholars to search, evaluate and consolidate research-oriented information.
- to trained about the data collection, storage, parallelization, visualization, Online survey tool and Statistical support.
- to aware about the New Education Policy-2020 & National Anti-Plagiarism Policy-2018 (UGC)
- to hands-on computer training for research data collection, analysis and management.
- To develop a better understanding of the major research grant opportunities.
- to develop research impact assessment skills, citations, journal impact factor and altmetrics etc.
- to capacity building, connectivity and research network among and within institutions of higher learning in the country with a view of achieving critical mass of researchers in any given field.
