

Dayalbagh Educational Institute, Agra

Event Report

The **Department of Electrical Engineering**, Faculty of Engineering, has organized an expert lecture on 01/04/2025 by GrowOwn. The mission of Mr. Param Mandloi, Founder, CEO, GrowOwn and his team is to make quality education and training in the electric mobility industry accessible to everyone, by creating a community of passionate learners shaping the EV future. The lecture provided our students with an invaluable opportunity to gain real-world experience with actual EV systems, industry recognized certifications along with the placement guidance support.
