

# Alumni Get-Together

## Alumni Welfare Association of the Faculty of Engineering (AWAFOE)

Date: February 16, 2025 | Venue: IEI, New Delhi

## **Strengthening FOE-DEI Alumni Bond:**

- Senior Faculty members were deputed by DEI to attend the meeting in order to form strong, lasting relationships with alumni. FOE Faculty presence at annual alumni meeting reinforces bond between alumni & FOE DEI, showing alumni that the FOE DEI values their continued connection.
- It fostered a sense of nostalgia and shared experience, creating a positive and welcoming atmosphere.
- Faculty participation demonstrated the FOE-DEI's commitment to its alumni.
- FOE DEI believes, Alumni who feel connected to their alma mater are advocates and supporters of the FOE-DEI.
- Senior Faculty members provided the valuable historical context, sharing stories and memories during the meeting thus enriched the alumni experience.
- This meeting provided a valuable opportunity for FOE-DEI to receive feedback on their BTECH programs. This feedback shall be used to improve the educational experience for current and future students.
- In essence, faculty participation in above meeting created a mutually beneficial exchange, strengthening ties, fostering growth, and enhancing the overall value of the alumni network.
