

# D.E.I. WOMEN'S HOSTEL – II

- Opened in Aug 2012. There are 51 rooms on ground floor and 53 rooms on 1st floor. 117 girls on ground floor and 143 girls on 1st floor i.e. total 270 girls from various states of India e.g. Bihar, Andhra Pradesh, Jharkhand, West Bengal, Delhi, Madhya Pradesh, Gujarat, Maharashtra and U.P. live in the hostel. Apart from these girls from ICT Centres of D.E.I. in various parts of the country also come and stay here.

- There is one full time resident warden, two day wardens and one chief warden to manage the hostel. In addition to this , there is one accountant , two lady guards, one office attendant, one gardener and one pump operator. For security there is one full time gunman and gate keepers for day and night shift. In the mess there are 8 maids and 1 cook in the morning for break fast and lunch. In the evening there are 7 maids and 1 cook for evening tea, snacks and dinner. Hostel girls also help in mess work.

- Hostel charges are nominal. Hostel fee for one semester is Rs. 750/- only. Mess is cooperative , girls participate in the management and working of the mess. Four meals : breakfast (tea, milk, bread- butter / rusk), lunch (dal/sambhar/kadhi, chawal, roti, subzi), evening tea and snacks (samosa, kachauri, upma, poha, matar chat, bhelpuri, etc.) and dinner (dal, chawal, subzi, roti) are provided at a very nominal cost of Rs. 700-800 per month.

There is one reading room where 8 magazines and 3 news papers ( one hindi and 2 english ) are available.

Many other facilities are also provided to hostel girls. For medical facility, we have one visiting lady doctor, sick room having medicines , weighing machine, refrigerator, hot water bottle , ice cap, B.P. instrument etc. For emergency cases ambulance service is available round the clock on call.

- Some indoor games like chess , carrom board , ludo and out door games like badminton and basket ball are also available.
- One C.C.T.V. Camera is also installed in front of the main gate. Campus has solar power of 20 KVA with additional backup of hydle power.

There is one computer room with 6 computers and printer. There is one lap-top room also where girls can use their own personal lap-top. Wi Fi connection is available in the hostel.

- There is one water cooler providing cold water to hostel girls. In winters , hot water for bath is also provided by a gas geyser .
- Lunch tiffin system is a unique feature of the hostel. The tiffins of those girls who are unable to come to hostel for lunch due to their busy schedule of classes , are sent to D.E.I. by a jeep.
- Psychological counseling is available to girls who require it for any personal problem by the chief warden who is an experienced clinical psychologist.

## Celebrate festival

On the eve of lohri and Basant, creative and artistic talents of girls get expression in the form of decoration of the campus . Girls also organize welcome party for new comers and farewell party those leaving the hostel.

Thus serene and disciplined environment of the hostel is highly conducive to studies of the students. Many girls get selected in Ph. D. programs, I.I.T. P.G. programs and jobs as well.

## Cleaning of campus

Various committees of students organize activities in the hostel. Hostel is divided in 8 wings and each wing has a wing incharge. There are student incharges for computer room, lap-top room, reading room, sick room and leave sanctioning process. Cleaning of the campus is done by girls under the supervision of wing incharges and hostel staff.
