1. Considered the proposal of the Coordinator Distance Education Programme to offer the Standalone Module of the Dress Designing & Tailoring Programme in Garidiras, Sukma District, Madhya Pradesh, a far-flung backward area where a reasonable number of female candidates of all the categories are willing to join the said course. This provision will open a new vista to develop employability skills in such remote locality to empower women which has been a key feature of DEI Education Policy 1975 and also New Education Policy 2020. This is an initiative to reach the last, the least, the lowest, and the lost among gender free humankind.

Resolved that the aforesaid proposal of the Coordinator Distance Education Programme be and is hereby approved from the session 2023-24.

The meeting ended with a vote of thanks to the Chair.
