

# DEI HOMOEOVERSE - 2025

## Expanding The Universe Of Healing

### ABOUT DEI

#### Our Mission

- To provide value-based, holistic, and integrated medical education that combines ancient wisdom with modern science.
- To prepare competent, ethical, and compassionate homoeopathic physicians capable of contributing meaningfully to society.
- To promote scientific research and innovation in homoeopathy and complementary medicine.
- To foster a culture of lifelong learning, service to humanity, and social responsibility among students and faculty.

#### Our Vision

- To become a nationally and internationally acclaimed centre of excellence in homoeopathic education, clinical services, and research.
- To empower students with skills, integrity, and empathy to transform lives through the art and science of homoeopathy.
- To uphold the values of truth, non-violence, and selfless service, in alignment with the founding ideals of DEI.
- To contribute to the mainstream acceptance and scientific validation of homoeopathy as a safe, effective, and sustainable system of medicine.

### ABOUT DEI

#### About Dayalbagh Educational Institute (DEI), Agra

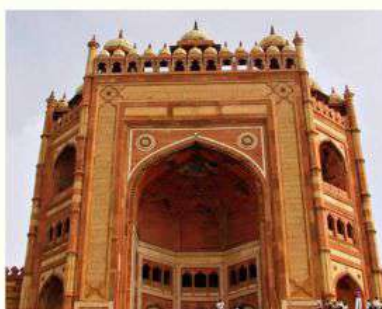

Dayalbagh Educational Institute (DEI), a Deemed to be University under Section 3 of the UGC Act, 1956, is an innovative and spiritually oriented academic institution located in the serene and eco-friendly surroundings of Dayalbagh, Agra. Rooted in the principles of value-based education, DEI offers a unique blend of academic excellence, moral development, and vocational training. The Institute stands committed to providing holistic education aimed at the all-round development of the individual.

Recognized for its emphasis on rural upliftment, character building, and community service, DEI has earned a reputation for its disciplined environment, high academic standards, and integration of modern technology in education. DEI has consistently ranked among the top institutions in India for its innovation in educational delivery, strong research focus, and commitment to sustainable development.

#### About DEI Homoeopathy Medical College & Hospital

DEI Homoeopathy Medical College & Hospital is a constituent faculty of DEI University and a center of excellence in the field of classical homoeopathy. The college is committed to promoting high-quality education, clinical training, and ethical medical practice. With well-equipped departments, laboratories, hospital facilities, and a dedicated teaching faculty, the college nurtures competent homoeopathic professionals with a strong foundation in scientific understanding and holistic healing.

The attached hospital serves a diverse population with compassion and care, offering affordable and effective homoeopathic treatment to thousands of patients. Regular medical camps, outreach activities, and research initiatives ensure that the institution remains at the forefront of community health services and academic leadership.
