- Prof. Anand Mohan, Registrar - Secretary

- 1(a). Considered that due to Covid-19 situation and mode of teaching being online, as a one time exception it is proposed that the already admitted students may be allocated the programme of their choice if applicable as per the norms of the Institute. Such allocation of choice shall be within the faculty/department thereby not increasing the total load on the staff of that department/faculty. This is being done on an experimental basis and will be carried out only for a few programmes. This flexibility in line with the philosophy of National Education Policy 2020.

Resolved that the proposal as above be and is hereby approved.

- 1(b). Considered the proposal of the Institute for creation of a new position of Dean (Administration) alongwith his role and responsibility.

Resolved that the above proposal be and is hereby recommended and the details be worked out after approval of the Governing Body.

The meeting ended with a vote of thanks to the Chair.
