Patent

Patent No. : 310364
Application No.: 528/DEL/2011
Date of Filing : 25/02/2011
Patentee: Dayalbagh Educational Institute

Patent Certificate for the invention entitled, "Magnetically tunable planar microwave device on non-magnetic dielectric substrate and a method of magnetic tuning thereof" from 25th February 2011 in accordance with the Patents act, 1970.

Date of Grant: 29/03/2019
