

Skill Development Courses at DEI For Sustainable Future

Skill Development Courses “Innovation in Technology”

Making Sustainability a way of life

Sigma Six Q: Six Qualities for a Sustainable Future

Making Sustainability a Way of Life

**Way of life to make
The world Realise their potential with dignity**

DEI is providing services, in the areas of women empowerment; education; livelihood; health and nutrition, particularly those from the under-privileged and deprived communities.

Based on a study and building social sector models for improved delivery, with an operational philosophy that reach and scaling up is possible only through hard relentless work. Enabling Resource Centres

Education

- Atmosphere to make contacts, learn skills, techniques, theories that will endure throughout one's career which will be enhanced by first class facilities, high caliber staff, international networks and professional relationships that would be second to none.
- To provide free seamless education from pre-school to secondary level to Higher Education for under-privileged children and ensure the improved quality of education
- To recognize that every child is unique and there are limits to generic solutions. Identify the root causes of a child's under-performance or behavioural problem and take corrective measures Study the co-relation between under-performance and deprivation.
- To bridge the empathy gap by training girls living in slums and backward areas, train them to become trainers for wide outreach.
- To empower student's through imparting life skills for making them job enablers.

Women Empowerment

- To enable livelihood for girl students with dignity. Give girls with basic skills income generating production skills. Focus on home based work.
- To organize production and entrepreneurial activities for girls .
- Branding of products and services e.g. TEXTSTYLERS a statement that commercially competitive enterprises can be set up by them
- Impart skill and knowledge to become Job enablers and not job seekers. .
- To provide community support programmes

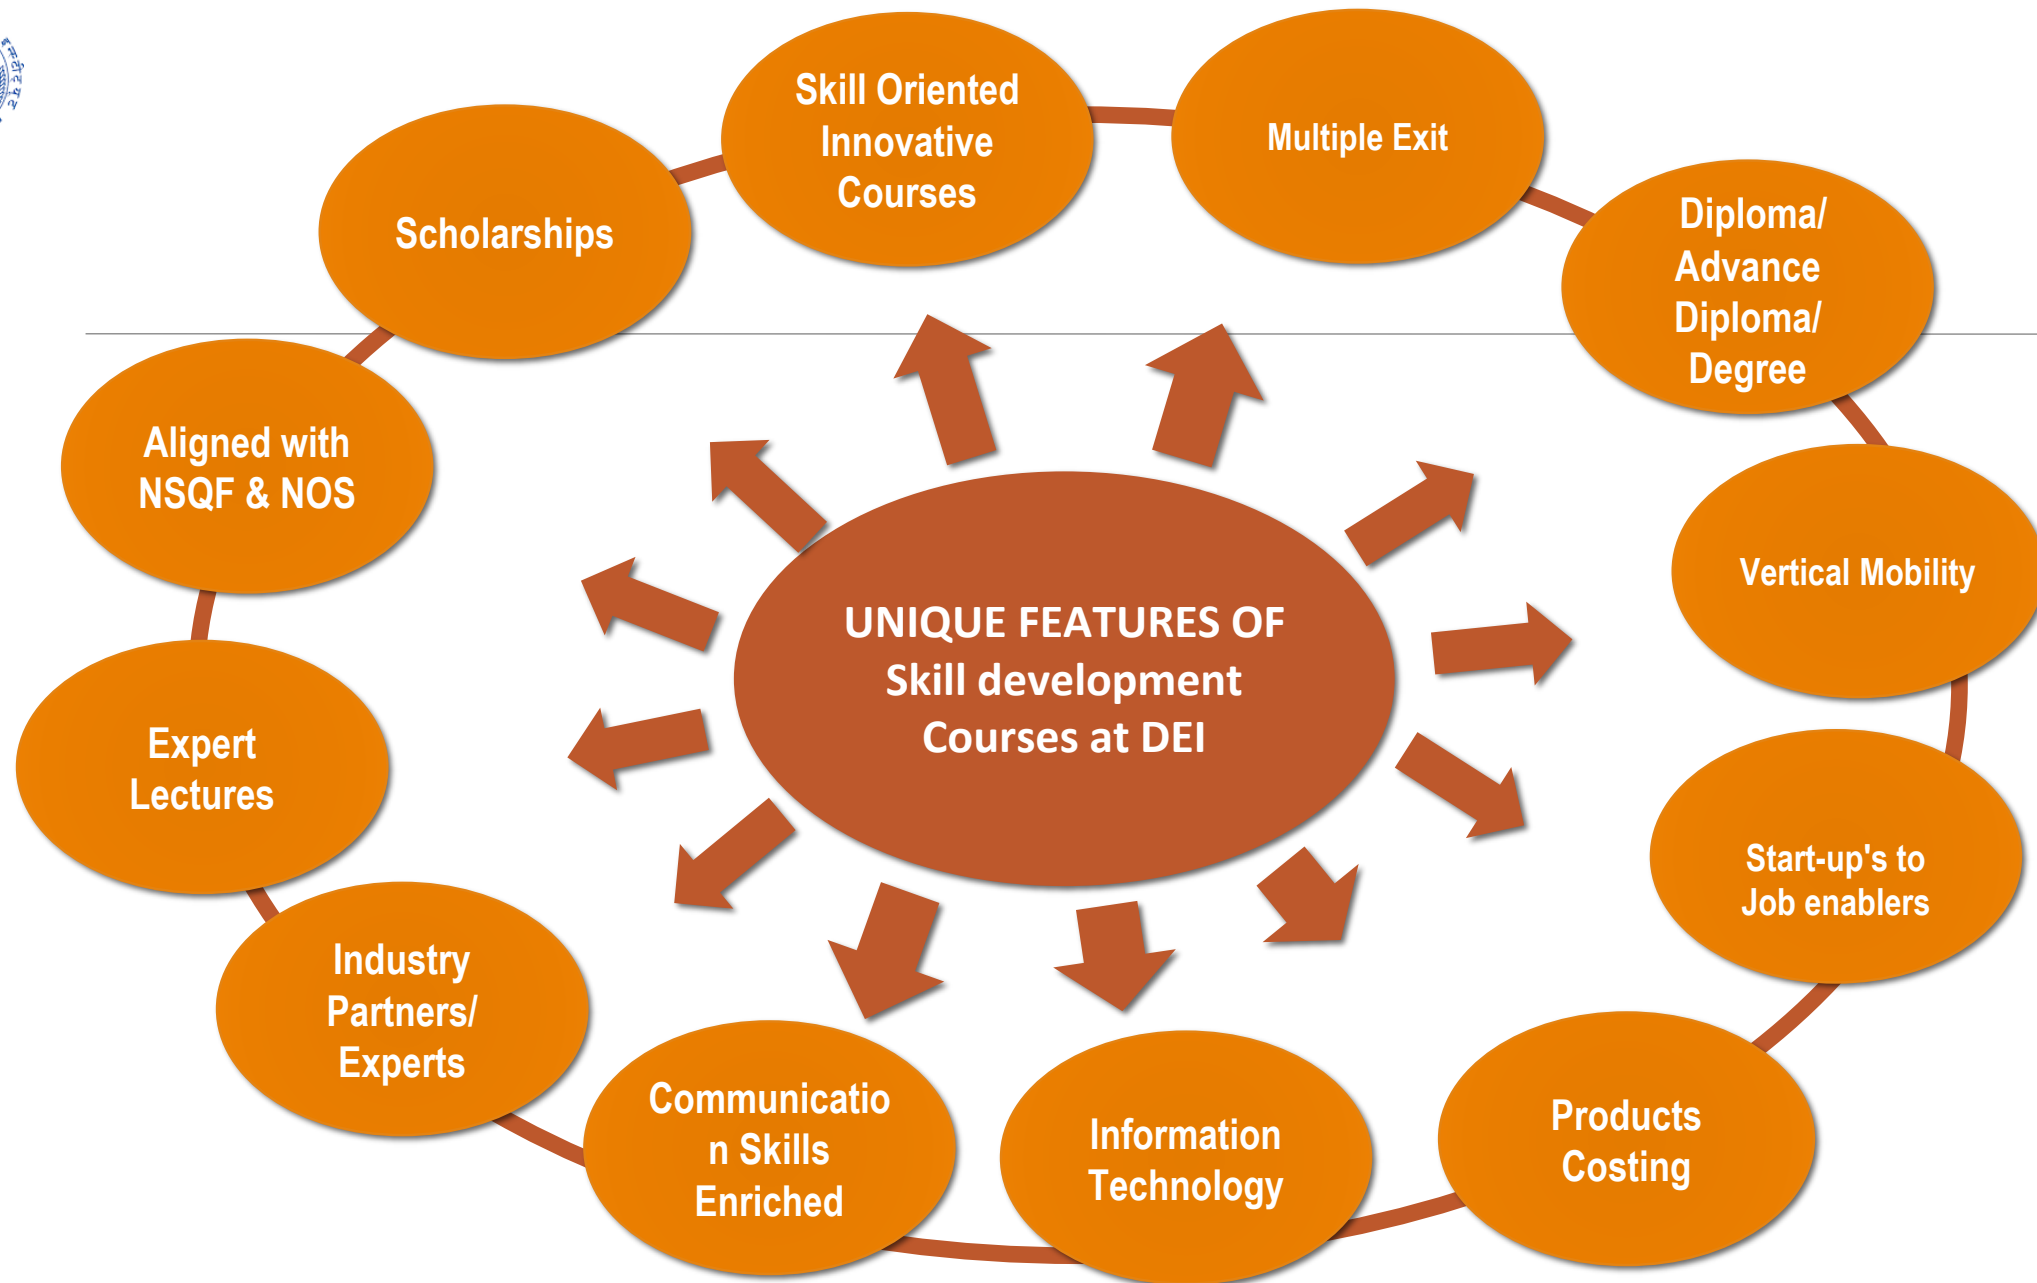

Centre for Research, Training and Skill Development

- To develop methodology, techniques and tools to study the delivery of social sector schemes.
- To provide skills and training to youth and opportunities to intern and understand social reality.
- To develop and inculcate in Girls the power to excel.
- Ingrain Work is Worship, Waste is nothing short of sin, Time is money.
- Develop the habit of giving, to be sincere and truthful.

Resource Centre

- To finance the setting up of a National and State / Technical Resource centres.
- To provide infrastructural and professional support for
 - Training
 - Capacity
 - Awareness building

Strengths

- Faculty are dedicated, hard working, team work, co-operative & open minded.
- Outreach Activities are being carried out
- Upliftment of Tribals and Downtrodden by teaching Skill through DEI's outreach centres
- Mixture of senior experienced & young faculty.
- Conducive atmosphere for learning.
- Excellent Placement for Textile Design students

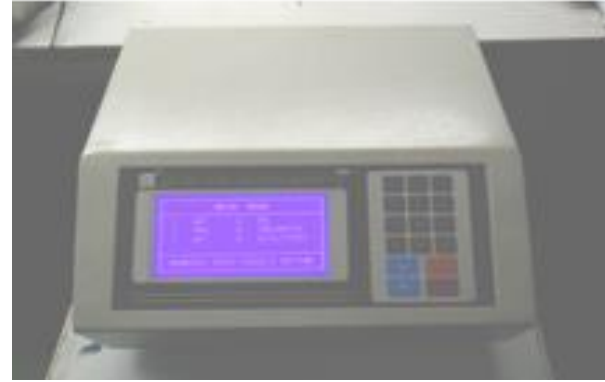

Effective Mechanism for Placement of Students

- **Job Fair**
- **Coop programs**
- **Guest lecture establishing higher industry institute partnership.**
- **“Earn while you learn” generate creative ideas and entrepreneurs.**
- **Entrepreneurial activities ensure job Enablers rather than job Seekers**
- **The Alumni Association network which ensure placements.**
- **Mid semester training helps to mold students as per the industrial need.**

Subject : Request for permission to export dairy products on non-commercial basis to the counter parts /centres

Dear Sir,

This refers to your letter no. ADMN/APPR/DT-1 dated 18.03.2016 on the subject matter.

In the above context, reference is drawn to the gazette notification SO 2719 dated 28th Nov 2000 subjecting Milk Products to quality control and inspection prior to export. Clause no 15 of the said notification is reproduced as under :

"Nothing in this order shall apply to the export by land or sea or air of bonafide samples of milk products to prospective buyer, the value of which shall not exceed permissible limits as laid down in exim policy from time to time and where no such provisions exist, the value limit of free samples shall not exceed Rs 10,000/-"

Copy of the notification is also enclosed for ready reference in order to enable you to take necessary action in the matter.

Yours sincerely,

(Wasi Asghar)
Assistant Director (T)

Textile Extension/Outreach Work Rajaborari (MP)

Free Medical & Rural Assistance Camp

Centre of Excellence in Textiles & Entrepreneurship (CETE)

Support the vision of “Development of Handmade in India for the World” by integrating skills and entrepreneurial training to create and support micro-entrepreneurs in the textile industry across the entire value chain and create marketing and distribution opportunities for them.

Undertake capacity building in the form of developing customised courses and providing hands-on training to each stakeholder involved in the process i.e. students, teachers, micro-entrepreneurs

Build on existing ICT facilities at DEI to extend the reach and hence the impact of work to areas and people who are left out of the mainstream higher education/vocational training gambit

Training for Micro Entrepreneurship: Various activities/sessions will be organized to expose the students to enable them to find a market for their products. 'Haats' (local markets) will be organized to test market the product and providing hands on experience on selling and directly interacting with the customers. Apart from physical selling, students will be trained on developing market for their products through web. There will be dedicated sessions on online marketing including website designing for showcasing their products to a global customer base.

Support for Micro Entrepreneurs: DEI and its partners in India are already working towards integrating rural outreach with the mainstream. Their recent initiatives are connecting Rural Economic Zones (REZs) to global market through micro, small and medium enterprises. Currently, these are connected with DEI to USA, Canada and Germany through various collaborative programs. This is just one example of how the Centre will support micro-entrepreneurs establish themselves.

Water Sanitation & Solid waste Management

मोह लेती है स्वच्छता और हरियाली

आगरा स्थित दयालबाग शिक्षण संस्थान (डीईआइ) में कदम रकित, तो छात्रों से ज्यादा पेड़-पौधे दिखाई देंगे। तपस्वी गयीं में हवा का झोंका तन-मन को प्रफुल्लित कर देगा। स्वच्छता और हरियाली का इतना सुंदर मेल कि आप प्रभावित हुए बिना नहीं रह सकते। सड़क अड्डास ही उलझ है कि वाकई यह देश के स्वच्छतम शिक्षण संस्थानों में शामिल होने का कबिलियत रखता है।

संकल्प से सिद्धि

कैसे बना यह स्वच्छतम? इस बारे में चुनने पर बताया गया कि यही स्वच्छता ही पाठ्यक्रम में ही शामिल है। 1980 से बतौर संचालक यही पाठ्यक्रम का हिस्सा है। प्रथम वर्ष के छात्रों के लिए इसे अनिवार्य शिक्षा के रूप में रखा गया है। जिसके 200 अंक निर्धारित हैं। सप्ताह में तीन दिन इस विषय की वक्तास लगती है। साफ-सफाई से लेकर कचरा प्रबंधन का काम खुद छात्र करते हैं। 15 छात्रों का समूह बनाया जाता है, उन्हें कलास और परिसर की सफाई का टास्क दिया जाता है। निरीक्षण विस्तृत करते हैं। प्रदर्शन के आधार पर अंक प्रदान किए जाते हैं।

डीईआइ का मूल मंत्र है स्वच्छता, संगठन और सकलता। संस्थान की स्वच्छता के लिए सभी मिलकर काम कर रहे हैं। पहले मन को स्वच्छ किया, संस्थान खुद ब खुद स्वच्छ हो गया।

प्रो. प्रेम कुमार कालच, निदेशक डीईआइ

कचरा प्रबंधन में अक्बल

जुन और गीले कचरे से खाद तैयार की जाती है। पौलीथिन से फगुल तैयार करने पर काम चल रहा है, जबकि पेपर को गैसहाईकल कर इस्तेमाल किया जाता है। इस तरह कचरा प्रबंधन में यह संस्थान पूरी तरह दक्ष है। युनिवर्सिटी साईंस इनस्टीट्यूटेशन सेंटर के विभागाध्यक्ष स्वामी ध्यारा ने बताया कि बैचलर इन एडिुकेशनल ट्रेनिंग के छात्रों का पाठ्यक्रम में सॉलिड वेस्ट मैनेजमेंट शामिल है। संस्थान का वेस्ट मैनेजमेंट भी यही छात्र करते हैं। यहां वाटर, सेमीटेशन और सॉलिड वेस्ट मैनेजमेंट में तीन वही बैचलर कोर्स उपलब्ध है। जुन से गिट मैबड और वमी कम्पोस्ट खाद तैयार करने को लेकर निजी कंपनियों से अनुभव भी किया गया है। बायोगैस प्लांट और पानी की रीसाइक्लिंग के भी प्रबंध किए गए हैं।

एक कदम स्वच्छता की ओर

संस्थान में राष्ट्रीय सेवा योजना (एनएसएस) के तहत 2500 छात्र बतौर स्वयंसेवक सक्रिय हैं। इनके द्वारा परिसर के आस-पास के इलाकों-गांवों में जागरूकता विषयक शिविर लगाए जाते हैं। एनएसएस में 2500 स्वयंसेवक हैं, ये संस्थान की सफाई करने के साथ ही आसपास के क्षेत्रों में स्वच्छता अभियान चला रहे हैं। लोगों को भी जागरूक किया जा रहा है।

अच्छी वाली आदत

यहां अध्ययनरत छात्र प्रांत अखाया और समूह सिंह सेंगर कहते हैं कि स्वच्छता उनकी आदत बन गई है। वे परिसर की भी नदी घर और आसपास की भी सफाई का ध्यान रखते हैं। कोई गंदगी फैलता है, तो उसे मना करते हैं।

आधुनिक संसाधनों से परिपूर्ण

हॉस्टल से लेकर कक्षाओं और भवनों तक में सौर ऊर्जा जनित बिजली उपलब्ध है। यहां साइस, आर्ट्स, कॉमर्स सहित सभी संकायों में पर्याप्त शौचालय उपलब्ध हैं। शौचालय आधुनिक हैं, जिनकी स्वच्छता को बख्तर रखा जाता है। संस्थान में पांच कैटीन और हर फेकटनी में फ्रूड स्टॉल हैं। इनमें सब्जी-रोटी, छोलें-भदुरे सहित घर का जैसा खाना बनता है। रसोई में स्वच्छता का विशेष ध्यान रखा जाता है।
