II. Programme Specific Outcomes	<p>PSOs of PGDBE:</p> <p>DBE 704: Financial Economics</p> <p>PSO1. understand the structure of the financial market.</p> <p>PSO2. Know the importance of financial institution.</p> <p>PSO3. Know the portfolio analysis.</p> <p>PSO4. Analyze banking sector reforms.</p> <p>PSO5. Know the role of financial derivatives.</p>
III. Course Outcomes	<p>COs of the course Financial Economics</p> <p>DBE 704: Financial Economics</p> <p>CO1. Describe financial system.</p> <p>CO2. Describe the problems of asymmetric information.</p> <p>CO3. Describe the types of derivatives.</p> <p>CO4. Explain forward and futures contracts</p> <p>CO5. Explain the patterns of corporate financing</p> <p>CO6. Explain Indian banking system</p>

II. Programme Specific Outcomes	PSOs of PGDBE: DBE 801- Macroeconomic Analysis & Policy PSO1. To analyze the labour market. PSO2. To analyze the open economy models PSO3. Implications for economic policy PSO4. To understand neo-classical and new Keynesians.
III. Course Outcomes	COs of the course Macroeconomic Analysis & Policy DBE 801- Macroeconomic Analysis & Policy CO1. Explain aggregate demand, aggregate labour market CO 2. Describe expectations augmented phillips curve. CO 3. Explain economic growth model. CO 4. Explain endogenous growth. CO 5. Describe classical and new Keynesians.

II. Programme Specific Outcomes	PSOs of PGDBE: DBE 802: International Trade and Finance <i>PSO1.</i> Understand the nature, concepts of theories of trade. <i>PSO2.</i> Understand exchange rate system in India <i>PSO3.</i> Understand the role and functions of international financial institutions <i>PSO4.</i> Understand the trade policies of India
III. Course Outcomes	COs of the course International Trade and Finance Dbe 802: International Trade and Finance CO1 Understand the formal analysis and major models of international trade

	<p>CO2 Familiarization with the world trading system</p> <p>CO3 Classification and understanding of trade policy instruments and retaliatory measures</p> <p>CO4 Understanding export import policies of India</p> <p>CO5 Understand the structure in balance of payments in India</p>
II. Programme Specific Outcomes	<p>PSOs of PGDBE:</p> <p>DBE 803: Business Forecasting</p> <p>PSO 1. Understanding key factors affecting the success of forecasting</p> <p>PSO2. Understand Linear Regression model for forecasting</p> <p>PSO3. Understand data patterns and be able to analyze data</p> <p>PSO4. Understand and produce sound forecasts using different models for business and economic analysis</p>
III. Course Outcomes	<p>COs of the course Business Forecasting</p> <p>DBE 803: Business Forecasting</p> <p>CO1. Understand different data patterns</p> <p>CO2. Understand qualitative and quantitative methods of forecasting</p> <p>CO3. Familiarization with Regression Model as a tool of forecasting</p> <p>CO4. To make students able to understand the nature of forecasting problems</p>

II. Programme Specific Outcomes	<p>PSOs of PGDBE:</p> <p>DBE 804: Business Environment</p> <p>PSO 1. The students will be able to demonstrate and develop conceptual framework of business environment and generate interest in</p>
--	---

	<p>international business.</p> <p>PSO 2. Provide knowledge of the environment in which businesses operate.</p> <p>PSO3. Provides an analysis and examination of significant contemporary ethical issues and challenges existing throughout the professional business arena.</p> <p>PSO4. Emphasis will be placed upon the manager's social and environmental responsibilities to a wide variety of stakeholders, including employees, customers and the public.</p>
III. Course Outcomes	<p>COs of the course Business Environment</p> <p>DBE 804: Business Environment</p> <p>CO1. Explain the effects of government policy on the economic environment.</p> <p>CO2. Outline how an entity operates in a business environment.</p> <p>CO3. Describe how financial information is utilized in business.</p> <p>CO4. Explain the legal framework that regulates the Business Environment.</p> <p>CO5. Describe the definition of ethics and the importance and role of ethical behavior in the business world today.s</p>
